B"H

Dear Friends 'ש'

We are honored to enclose a new and updated version of the "GTA Financial Guidebook" for the year, 2025.

This guidebook lists all available local, provincial and national benefits.

This year's guidebook contains substantially more information than last year's version. No doubt, this will benefit many families in our community.

We have an official help-line. Interested parties can write or call and ask for information and guidance. It's totally free of charge. The phone number is: 647-986-2210. If there is no answer, please leave a message and someone will contact you as soon as possible. Alternatively, you can send an email to: thelampligheroffice@gmail.com

B"H, last year alone 174 families and local schools contacted us directly and used our services. This number does not include the many families that did not contact us but derived substantial benefit from the information contained in the booklet.

Please forward this PDF to anyone whom you feel might benefit from it.

Best wishes

Mottel Wechter
